

## ***Texas Agriculture Tour Dallas/Ft. Worth, Austin, San Antonio, Corpus Christi, Galveston and Houston Late October 2011***

We are proposing an in-depth agricultural program visiting the cities, towns, farms and people of the great state of Texas, second largest producer of agricultural products in the United States.

The nine night, ten day itinerary visits Texas major cities including Dallas/Ft. Worth, Texas capital city and Austin, Texas, home of Texas State University.

### ***Tour Highlights Include:***

- Visit farms that produce Texas' top ranked commodities cattle/calves; cotton, broilers, greenhouse nursery products, dairy products, energy products and services.
- Historic Ft. Worth Stockyards National Heritage Area
- University of Texas at Austin Agricultural Research Facility
- Lyndon B. Johnson Presidential Library & Museum
- Historic town of New Braunfels
- San Antonio River Walk
- Famous King Ranch
- Beach cities of Corpus Christi and Galveston
- NASA Space Center

### ***Add'l Highlights Include:***

- Briefings by officials representing various farming organizations, both private and public
- Social Events with local farmers
